

Name _____

Use your chrome book to find the definitions of the following terms:

(1) Melting -

(1) Freezing -

(1) Condensation -

(1) Evaporation -

(2) Solidification -

(2) Vaporization -

(2) Liquefaction -

(1) Sublimation -

(1) Desublimation (Deposition) -

(1) Boiling –

Name _____

Melting - solid to liquid

Freezing - liquid to solid

Condensation - gas to liquid

Evaporation - liquid to gas

**Solidification - gas to solid
liquid to solid**

**Vaporization - solid to gas
liquid to gas**

**Liquefaction - gas to liquid
solid to liquid**

Sublimation - solid to gas

**Desublimation - gas to solid
(Deposition)**

Boiling - liquid to gas
